

Aerosmith

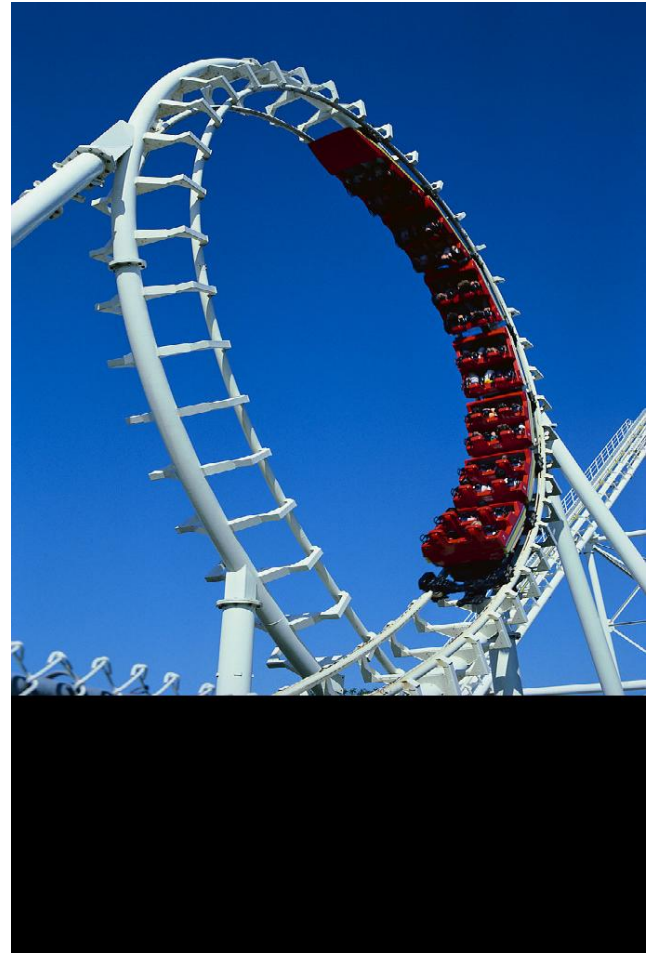

By Meredith

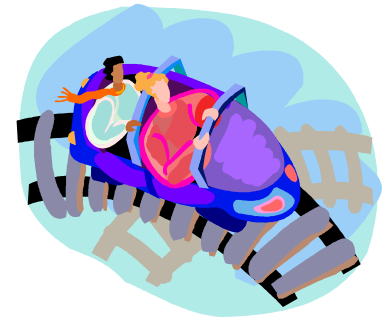

# Aerosmith

- We were getting on the Aerosmith roller coaster.
- I was tall enough so my dad thought it was okay.
- But it wasn't.

# Aerosmith

- The ride felt like the ride went from 0mph to 999mph! Mph stands for miles per hour.
- It was terrifying!

# Aerosmith

- I felt like I had gone into hyper speed!
- I held my dad's hand.
- My mom was behind me.

# Aerosmith

- Surprisingly, the ride went upside-down.
- I was scared.
- My parents weren't.

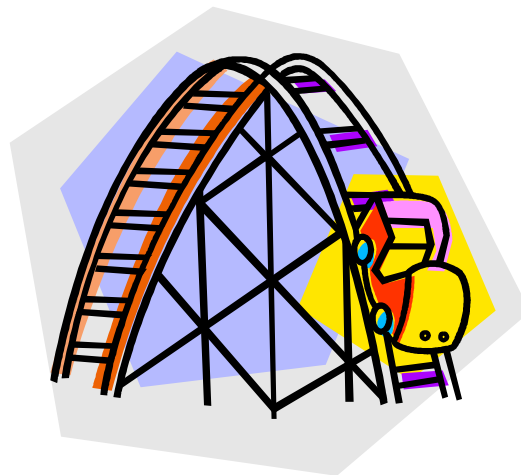

# Aerosmith

- I squeezed my dad's hand tighter and tighter.
- I wasn't letting go.

# Aerosmith

- There were signs to make you think you were right-side up.
- They didn't fool me.
- I think it didn't fool my parents, either.

# Aerosmith

- Finally, the ride stopped.
- It jerked us forwards.
- It was awesome!
